

Academy of the Canyons Middle College High School

Explore your Future Today

Dr. Juliet Fine, Principal

Academy of the Canyons Middle College High School is a public alternative to the comprehensive high schools in the William S. Hart Union High School District. Our unique educational experience fosters academic and personal success in the high school and college environments. We are committed to effective classroom instruction, rigorous curriculum, and quality relationships between staff, students, parents, and our college partner. Our students take classes at AOC and at College of the Canyons Community College. On average, students complete one year of transferable college level courses and have the opportunity to earn an associate degree by high school graduation.

2024-2025 Application Process

All interested students & parents must attend one mandatory meeting to learn about the school & application process.

Current 8th Graders - Mandatory Information Meetings via Zoom

11/7 OR 11/8 6 - 8 pm
